GRANDS FONDS 38

MAGNUM HANDS

A DNA recognized since 1960 that is the strength of ZRC's exclusive design.

316L STAINLESS STEEL

A proven case capable of withstanding more than 1500m without deformation. All the ZRC expertise at your service.

DIVER BEZEL

Unidirectional bezel with 60 division for precise measurement of immersion time. Solid ceramic bezel insert.

SLN-X1 Super luminous

The guarantee of legibility in all proofs.

CPS™

The effective solution not to forget to close your crown before any immersion.

A true expression of the spirit of the Grands Fonds, the references of the Réédition 38mm line recapture the look of the diving watches created in the 1960s.
